# SOFTLED 100 VW

### **VERSATILE STUDIO LIGHT**

- POWER: 100W
- CONTROL: DMX & MANUAL
- SMOOTH COLOUR MIXING
- 3200K ~ 6000K VARIABLE

The CLF SoftLED 100 VW is a very affordable studio light with a variable white LED configuration.

A new designed housing in combination with the special chosen LED will give a high CRI and a very equal 120° light spread.
